## **Cybercrime Support Network Partnership Update**

Perth, WA and Alexandria, VA – WhiteHawk Limited (ASX:WHK) (“WhiteHawk or “the Company”), the first global online cyber security exchange enabling small-to-medium businesses to take smart action against cybercrime, issues an update to on the Cybercrime Support Network referred to in the Company's recent Prospectus dated 17 September 2018 (**Prospectus**).

The Prospectus referred to the Company's partnership with the U.S. based Cybercrime Support Network (**CSN**). CSN was established to give a voice to cybercrime victims and support a coordinated response from federal, state and local law enforcement to manage cybercrime incidents affecting individuals and small businesses. CSN is piloting U.S. programs to utilize existing referral infrastructure and the website [fraudsupport.org](http://fraudsupport.org) to facilitate cybercrime reporting, response and recovery. Through a partnership between WhiteHawk and CSN, small and midsize businesses (SMBs) that contact CSN in need of cybercrime and fraud response and mitigation services will be provided incident response resources including WhiteHawk. WhiteHawk's cyber consultants connect companies to effective response services to mitigate the impact to their business and enable them to find and purchase products, via the WhiteHawk Exchange, to protect their business into the future.

The strategic partnership with CSN launches in the U.S. in November 2018. WhiteHawk cyber consultants connect companies to effective response services to mitigate the impact to their business and enable them to find and purchase products, via the WhiteHawk Exchange, to protect their business into the future. WhiteHawk is onboarding cybercrime vendor response services into the online Exchange, in order to provide support services across the U.S.
